

There is a copy of this book at the McLean County Museum of History in downtown Bloomington in the old courthouse.

I visited there on 12/14/2023 and took digital photos of the Intro section and the first 15 pages of family trees.

This book is too thick for me to photograph every page. The Intro section does have the history of the first Brucker couple to come to America.

I made a PDF file of this partial book and uploaded it to Archive.Org.
